

## 10 Things to Do in New York's Art World Before June 19

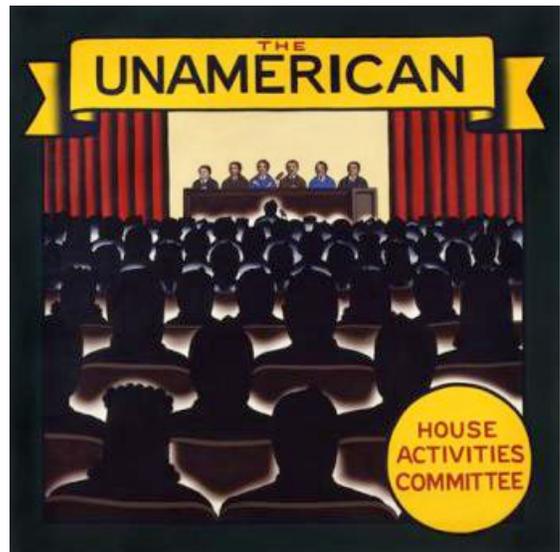

By Paul Laster | 06/15/15 12:02pm

THURSDAY, JUNE 18

**Opening: "Roger Brown: Political Paintings" at DC Moore Gallery**

Made between 1983 and 1991, the "Political Paintings" by painter Roger Brown (1941-1997) comment on the Gulf War, the HIV/AIDS pandemic, and the Savings & Loan industry collapse and bailout. Expressing issues that defined the political, social, environmental, and economic crises of the era, the Chicago Imagist artist used luminous color, silhouetted figures, stylized natural forms, and dramatic shifts of scale and perspective to create provocative works of art. His 1991 canvas *Landscape with Dollar Sign* is still as profound today as it was when he painted it, nearly 25 years ago!

*DC Moore Gallery, 535 West 22nd Street, New York, 6-8 p.m.*
