Kick Ass Painting: New York Women

When: April 4–May 9

Where: Anat Ebgi (2660 S La Cienega Boulevard, Mid-City, Los Angeles)

This show shines a light on three women painters from the US who have been committed to their craft for decades: Louise Fishman, Brenda Goodman, and Carrie Moyer. All three are mostly devoted to abstraction (in distinct styles), though occasionally their works veer into the figurative. It's a wonderful opportunity to see their works side by side.
